

ICIP 2024 Program at a Glance

Sunday, 27 October									
GST, GMT+4									
07:30									
07:45									
08:00									
08:15									
08:30									
08:45									
09:00									
09:15	Tutorial 1	Tutorial 3	Tutorial 4	Tutorial 5	Tutorial 6	Tutorial 7	Tutorial 9	Tutorial 12	Progress Workshop
09:30									
09:45									
10:00									
10:15									
10:30	Coffee Break								
10:45									
11:00	Tutorial 1	Tutorial 3	Tutorial 4	Tutorial 5	Tutorial 6	Tutorial 7	Tutorial 9	Tutorial 12	Progress Workshop
11:15									
11:30									
11:45									
12:00									
12:15									
12:30	Lunch Break								
12:45									
13:00									
13:15									
13:30									
13:45									
14:00	Tutorial 2	Tutorial 8	Tutorial 10	Tutorial 11	Tutorial 13	Tutorial 14	Tutorial 9	Tutorial 12	Progress Workshop
14:15									
14:30									
14:45									
15:00	Coffee Break								
15:15									
15:30	Tutorial 2	Tutorial 8	Tutorial 10	Tutorial 11	Tutorial 13	Tutorial 14	Tutorial 9	Tutorial 12	Progress Workshop
15:45									
16:00									
16:15									
16:30									
16:45									
17:00	Welcome Reception (Exhibition Hall)								
17:15									
17:30									
17:45									
18:00									
18:15									
18:30									
18:45									
19:00									
19:15									
19:30									
19:45									
20:00									
20:15									
20:30									

Monday, 28 October																
07:15																
07:30																
07:45																
08:00	Opening Ceremony / State of Society															
08:15																
08:30	Oral Presentations MA1_1014 Joint Quality-of-Experience and Energy Optimization in Visual Data Communications	Oral Presentations MA1_1068 Advances in Neural Models	Oral Presentations MA1_1021 Explainable AI Methods	Oral Presentations MA1_1041 Perception and Quality Models for Images & Videos - I	Oral Presentations MA1_1058 Computational Photography	Oral Presentations MA1_1059 Biological Image Analysis	Poster Presentations MA1_1078 Filtering, Interpolation, Formation, and Multiresolution Processing of Images & Videos	Poster Presentations MA1_1087 Information Forensics and Security	Poster Presentations MA1_1081 Sensor Systems	Workshop 3	Workshop 4					
08:45																
09:00																
09:15																
09:30																
09:45																
10:00	Coffee Break															
10:15																
10:30	Oral Presentations MA2_1002 Advances in Learned Image Compression	Oral Presentations MA2_1064 Image and Video Denoising	Oral Presentations MA2_1055 Contrastive Learning for Image & Video Data	Oral Presentations MA2_1051 Image & Video Interpretation & Understanding - I	Oral Presentations MA2_1064 3D Image and Video Analysis and Compression - I	Oral Presentations MA2_1036 Training and Supervision Strategies for Image & Video Data - I	Poster Presentations MA2_1075 Perception and Quality Models for Images & Videos - II	Poster Presentations MA2_1095 Multi-image and Sensor Fusion	Poster Presentations MA2_1083 Computational Image Analysis	Workshop 3	Workshop 4					
10:45																
11:00																
11:15																
11:30																
11:45																
12:00																
12:15																
12:30																
12:45																
13:00	Plenary I (PLENARY HALL)															
13:15																
13:30	Lunch Break															
13:45																
14:00																
14:15																
14:30																
14:45	Oral Presentations MP1_1012 Emerging Trends in Learning-based Image and Video Compression - I	Oral Presentations MP1_1043 Image and Video Enhancement	Oral Presentations MP1_1033 Perception Models in Visual AI Systems - I	Oral Presentations MP1_1025 Robust Machine Learning Methods for Image & Video Processing - I	Oral Presentations MP1_1052 Image & Video Interpretation & Understanding - II	Oral Presentations MP1_1023 Trustworthy Visual AI Models & Systems - I	Poster Presentations MP1_1091 DSB Datasets and Benchmarks - I	Poster Presentations MP1_1071 Robust Machine Learning Methods for Image & Video Processing - IX	Poster Presentations MP1_1069 Explainability, Trust, and Perception in AI	Workshop 3	Workshop 4	Workshop 2	Workshop 5	Student Job Fair (Lunch Hall)	Challenges	
15:00																
15:15																
15:30																
15:45																
16:00	Coffee Break															
16:15																
16:30																
16:45	Oral Presentations MP2_1013 Emerging Trends in Learning-based Image and Video Compression - II	Oral Presentations MP2_1042 Image and Video Restoration	Oral Presentations MP2_1055 Image & Video Synthesis, Rendering, and Visualization	Oral Presentations MP2_1026 Robust Machine Learning Methods for Image & Video Processing - II	Oral Presentations MP2_1040 Image & Video Representation	Oral Presentations MP2_1037 Training and Supervision Strategies for Image & Video Data - II	Poster Presentations MP2_1085 Medical Image Analysis - V	Poster Presentations MP2_1086 Medical Image Analysis - VI			Workshop 3	Workshop 4	Workshop 2	Workshop 5	Planning your future career with IEEE SPS	
17:00																
17:15																
17:30																
17:45																
18:00																
18:15																
18:30																
18:45																
19:00																
19:15																
19:30																
19:45																
20:00																
20:15																
20:30																
20:45																
21:00																
21:15																
21:30																
21:45																
22:00																
22:15																
22:30																
22:45																
23:00																
23:15																
23:30																
23:45																
24:00																

EST, GMT+4																
Tuesday, 29 October																
07:30																
07:45																
08:00																
08:15																
08:30																
08:45	Oral Presentations TA1_1015 Media Authenticity in the Age of Artificial Intelligence	Oral Presentations TA1_1018 Neural Image and Video Compression - I	Oral Presentations TA1_1022 Media Authenticity in the Age of Artificial Intelligence	Oral Presentations TA1_1028 Robust Machine Learning Methods for Image & Video Processing - III	Oral Presentations TA1_1033 Image & Video Interpretation & Understanding - III	Oral Presentations TA1_1038 Training and Supervision Strategies for Image & Video Data - III	Poster Presentations TA1_1098 Images & Videos analysis, Retrieval, Rendering, and Synthesis - I	Poster Presentations TA1_1099 Images & Videos analysis, Retrieval, Rendering, and Synthesis - II	Poster Presentations TA1_1026 Restoration and Enhancement I	Poster Presentations TA1_1027 Restoration and Enhancement -II	Workshop 6	Workshop 7				
09:00	Coffee Break															
09:15																
09:30																
09:45																
10:00																
10:15																
10:30																
10:45	Oral Presentations TA2_1017 Recent Advances in Multimedia Forensics in the AI-Generative Era	Oral Presentations TA2_1050 Neural Image and Video Compression - II	Oral Presentations TA2_1027 Augmentation for Image & Video Learning	Oral Presentations TA2_1029 Robust Machine Learning Methods for Image & Video Processing - IV	Oral Presentations TA2_1045 Image and Video Processing	Oral Presentations TA2_1039 Training and Supervision Strategies for Image & Video Data - IV	Poster Presentations TA2_1074 Image & Video Representation	Poster Presentations TA2_1096 Image & Video Interpretation and Understanding - V	Poster Presentations TA2_1097 Image & Video Interpretation and Understanding - VI	Workshop 6	Workshop 7					
11:00																
11:15																
11:30																
11:45																
12:00																
12:15																
12:30	Plenary II (PLENARY HALL)															
12:45																
13:00																
13:15																
13:30																
13:45	Lunch Break															
14:00																
14:15																
14:30	Oral Presentations TP1_1001 AI-based Medical Image Quality Assessment and Enhancement	Oral Presentations TP1_1003 Deep Neural Architecture Generation for Generative Models and Adversarial Learning	Oral Presentations TP1_1034 Perception Models in Visual AI Systems - II	Oral Presentations TP1_1030 Robust Machine Learning Methods for Image & Video Processing - V	Oral Presentations TP1_1060 Medical Image Analysis - I	Oral Presentations TP1_1024 Trustworthy Visual AI Models & Systems - II	Poster Presentations TP1_1092 DSB Datasets and Benchmarks - II	Poster Presentations TP1_1070 Robust Machine Learning Methods for Image & Video Processing - VIII	Poster Presentations TP1_1079 Neural Image and Video Compression - III	Poster Presentations TP1_1080 Image and Video Coding and Streaming	Workshop 6	Workshop 7	Workshop 8	Workshop 9	GenAI Panel	Women in Signal Processing Luncheon
14:45																
15:00																
15:15																
15:30																
15:45																
16:00																
16:15	Coffee Break															
16:30																
16:45																
17:00																
17:15																
17:30																
17:45																
18:00																
18:15																
18:30																
18:45																
19:00																
19:15																
19:30																
19:45																
20:00	Banquet/Social Event (ERTH Hotel)															
20:15																
20:30																

Wednesday, 30 October

GMT+4	Wednesday, 30 October																
07:30																	
07:45																	
08:00																	
08:15																	
08:30																	
08:45	Oral Presentations WA1-1014 Trustworthy Generalization in Visual Machine Learning	Oral Presentations WA1-1017 Medical Image Formation, Reconstruction, and Restoration	Oral Presentations WA1-1048 Video Coding, VVC and Beyond	Oral Presentations WA1-1031 Robot Machine Learning Methods for Image & Video Processing - VI	Oral Presentations WA1-1056 Multi-image & Sensor Fusion	Oral Presentations WA1-1063 Medical Image Analysis - II	Poster Presentations WA1-1088 3D Images, Videos, and Data Coding	Poster Presentations WA1-1082 3D Images, Videos, and Data Processing - I	Poster Presentations WA1-1090 3D Images, Videos, and Data Processing - II	Workshop 17	AOMedia Industry Workshop Sponsored by Google and Meta			LLM tournament			
09:00																	
09:15																	
09:30																	
09:45																	
10:00	Coffee Break																
10:15																	
10:30	Oral Presentations WA2-1016 Trustworthy Visual Data Factorization	Oral Presentations WA2-1020 Privacy Protection, Encoding and Transmission	Oral Presentations WA2-1047 Image and Video Coding for Machines	Oral Presentations WA2-1032 Robust Machine Learning Methods for Image & Video Processing - VII	Oral Presentations WA2-1066 Point Cloud Processing - I	Oral Presentations WA2-1062 Medical Image Analysis - III	Poster Presentations WA2-1093 DSB Datasets and Benchmarks - III	Poster Presentations WA2-1072 Training and Supervision Strategies for Image & Video Data - V	Poster Presentations WA2-1094 Learning-based Statistical Models	Workshop 12	AOMedia Industry Workshop Sponsored by Google and Meta			LLM tournament			
10:45																	
11:00																	
11:15																	
11:30																	
11:45																	
12:00																	
12:15																	
12:30	Plenary III (PLENARY HALL)																
12:45																	
13:00																	
13:15																	
13:30																	
13:45																	
14:00	Lunch Break																
14:15																	
14:30	Oral Presentations WA2-1018 Predictable and Trustworthy Deep Learning Algorithms for Moving Object Detection for Challenging Environments	Oral Presentations WA2-1049 Lossy Image and Video Compression	Oral Presentations WA2-1065 3D Image and Video Analysis and Compression - I	Oral Presentations WA2-1054 Image & Video Interpretation & Understanding - IV	Oral Presentations WA2-1067 Point Cloud Processing - II	Oral Presentations WA2-1065 Medical Image Analysis - IV	Poster Presentations WA2-1081 Electronic Imaging - I	Poster Presentations WA2-1082 Electronic Imaging - II	Poster Presentations WA2-1073 Models, Sensors, and Acquisition for Images & Videos	Workshop 12	Workshop 10	Workshop 11	LLM tournament			VCM Panel	Machine Vision Innovation (MVI) Tournament
14:45																	
15:00																	
15:15																	
15:30																	
15:45																	
16:00	Coffee Break																
16:15																	
16:30																	
16:45																	
17:00	Closing Ceremony																
17:15																	
17:30																	
17:45																	
18:00
